

WELCOME TO THE  
**VIRGINIA HERPETOLOGICAL SOCIETY**

**CONSERVATION - EDUCATION - RESEARCH**

**VIRGINIA'S NATIVE REPTILES & AMPHIBIANS**

**Snakes – Lizards – Turtles – Frogs & Toads – Salamanders**

Learn more at: ***Virginia Herpetological Society.com***

Also at: *facebook.com/vaherpsociety* and *youtube.com/virginiaherpsociety*

**Need help with identifying a reptile or amphibian?**

Send an email to: ***id@virginiaherpetologicalsociety.com***

To improve the identification process, provide the following when possible:

1. Photos
2. Locality (county or city)
3. Approximate total length of the animal

VHS membership is open to anyone, regardless of experience or knowledge. We welcome novices, experts, enthusiasts, and professionals of all ages and backgrounds.
